

AUTHORIZATION TO RELEASE INFORMATION

As an applicant for the position of _____ with the **University of California, Davis** (the University), I am required to furnish information for use in determining my qualifications. For this purpose, I authorize the release of information (described below) requested by the University concerning any substantiated allegations of misconduct (and clinical care if applicable) to permit the University to evaluate such information with respect to the teaching, research, and service criteria for appointment. I understand the University will not request information authorized by this release unless I am a finalist for an academic appointment with tenure or security of employment. This signed form authorizes my current or prior institution(s) where I have been employed to share that information with the University.

For purposes of this Authorization, “misconduct” includes any violation of the policies governing employee conduct at my current or former institutions where I have been employed. “Misconduct” includes, but is not limited to, violations of policies prohibiting sexual harassment, sexual assault, and/or other forms of harassment or discrimination. “Substantiated allegations” means allegations that have been sustained based upon a standard of evidence of at least a preponderance of the evidence.

The University considers sexual misconduct and other forms of harassment or discrimination¹ with students or trainees to be related to teaching; with staff or colleagues to be related to service; and (if applicable) with patients to be related to clinical care. This authorization includes release of information of a confidential or privileged nature, or any data or materials which have been sealed or agreed to be withheld pursuant to any prior agreement or court proceeding involving disciplinary matters. Should an institution provide information on a finding of misconduct, I will be informed and allowed to provide information in response.

I hereby release, discharge, and exonerate (1) the University, its agents and representatives and (2) any institution or employer where I am currently, or have in the past been, employed, or any individual acting on behalf of such institution or employer, furnishing information to the University, from any and all liability of every nature and kind arising out of the furnishing and inspection of such documents, records and other information. This release shall be binding on my legal representatives and successors.

This authorization is valid for 365 days from the date of signature. A photocopy of this release is to be considered as valid as an original.
